

**The New**

**BeQIK Login**

Dear partners and customers,

No need to worry.

The BeQIK Login has been switched to a new login to align with the rest of our Rexroth web applications.

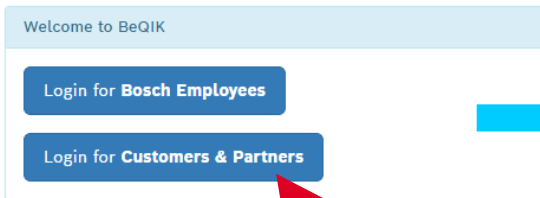

The new method supports a faster, more secure and Bosch-wide uniform authentication.

Simply follow this manual to transfer your existing login data to the new Bosch ID!

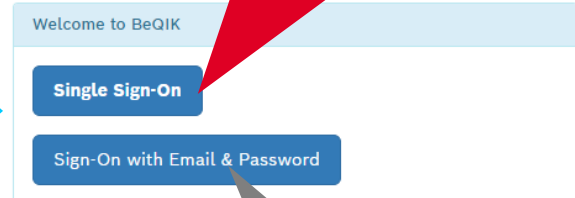

## How to get your Bosch ID

1

Open <https://beqik2.com>

Click "Single Sign-On"

The old Login has been replaced with a new one

For a transition period until June 16<sup>th</sup>, we offer also the old login in case you are in a hurry. Please ensure to switch to the Single Sign-On until then.

2

Select "Login for Customers and Partners (SingleKey ID)"

3

## SingleKey ID

**Accept the terms and conditions**

**You are all set!**  
You successfully changed to the login via Singlekey ID.  
For all future logins you just need to follow step 1, 2 and enter your email address and the password.

# FAQ

## **The Registration was successful. However, I cannot use the DC-Service**

- The reason could be that you entered a different E-Mail than the one you used before. Please contact [laura.schuemchen@boschrexroth.com.my](mailto:laura.schuemchen@boschrexroth.com.my)

## **Registration was not possible**

- If you get a fail like „E-Mail already registered“, then you already have a Bosch-ID and can right away login. If you don't know your password please click on “Forgot password” and follow the instructions there.
- Also please keep in mind that the password must fulfil the following rules:
  - At least 1 digit
  - At least 1 special character (!\$\$%&/ ( )=?[ ]{ })
  - At least 1 upper-case character
  - At least 10 characters long

**Please note that this manual is only for our existing partners and customers.**
